WHAT WE BRING TO THE TABLE

If you're looking for something a little different for your next corporate event, then Lane7 is the perfect venue for you.

Lane7 is the home of boutique bowling. Let your guests bowl their socks off, sing their hearts out and perfect their shuffleboard and beer pong playing powers. And that's before we even mention the retro arcades. Just choose which area or combination of areas within Lane7 you'd like for the exclusive use of you and your guests and then get in touch.

A vibrant, multi-colored bowling alley scene. The image is a collage of different views: a perspective view of bowling lanes with purple and yellow neon lights; a close-up of a bowling lane with a digital scoreboard displaying 'LUKE, roll the ball' and a sign for 'LANE7 MANCHESTER DEANSGATE'; a bar area with a large white neon '7' logo; a woman with long blonde hair at a bar; and a view of bowling lanes with glowing numbers 2, 3, 4, and 5. The overall atmosphere is energetic and modern.
